SPECIALIST DEPARTMENT FOR EARLY CHILDHOOD

The Office of Early Childhood is committed to the education, care and upbringing of young children of pre-school age. We ensure a diverse and needs-based range of services for families in the city of Schaffhausen. Our department is dedicated to promote good frame conditions and a high quality of childcare institutions. We inform, coordinate and link people and organizations in the area of Schaffhausen, a city that focuses on children and their families and that is committed to a comprehensive early childhood policy.
